Rescission Date: 8/05/2021

Transmittal Notice

1. Explanation of Material Transmitted: This chapter is rescinded. Manual Chapter 26101-26-37 is obsolete since the use of faster, less expensive, and more convenient Internet technologies has largely replaced the dedicated-use television services. Questions and service requests related to this can be directed to the NIH Service Desk at https://itservicedesk.nih.gov/support/.

2. Filing Instructions:
   - Insert: NIH Policy Manual, Chapter 26101-26-37, 8/5/2021
