Rescission Date: 9/05/2012 ?

Transmittal Notice

1. Explanation of Material Transmitted: The Center for Information Technology (CIT), Division of Network and Telecommunication Systems (DNST) is rescinding this policy from the NIH Manual Chapter system because cellular telephones are considered to be mobile devices which are covered under various provisions of the following NIH Information Technology and Acquisition policies:

- [NIH Manual Chapter 2806](#), “Limited Authorized Use of NIH Information Technology (IT) Resources”
- NIH Mobile Devices policy
https://ocio.nih.gov/InfoSecurity/Policy/Documents/NIH_Mobile_Device_Security_Policy.doc
- NIH Purchase Card Supplement, Addendum 5.1 (July 2011)
<http://oamp.od.nih.gov/Division/SAPS/Acq/PCard/ElecDevicePCardPolicyfinal.pdf>

ICs shall continue to provide an appropriate review of mobile device equipment and service acquisitions, monthly usage and costs, property inventory and disposition, and ensure that unneeded services are promptly terminated. Questions regarding these procedures should be referred to your respective Administrative Office.

2. Filing Instructions:
